FROM NEIGHBORS WHO CARE

INSTRUCTIONS FOR MEMORY LANE BINGO

This game sparks laughter, storytelling, and meaningful moments. It brings up fond memories and invites shared conversations, helping people of all generations connect in a joyful, easy way.

HERE'S WHAT YOU NEED:

- **Bingo cards** – Print one for each player.
- **Prompt list** – Print a copy for the caller.
- **Crayons, markers, or bingo daubers** – Give one to each player for marking their cards.
- **Small prizes or treats (optional)** – Wrap or set aside for the winner(s).

HOW TO PLAY:

1. One person serves as the caller and reads each prompt from the list, crossing it off as they go.
2. Players mark a square on their BINGO card if they've done the activity or had the experience that's called.
3. When a player gets five squares in a row — vertically, horizontally, or diagonally — they have BINGO! You can keep the game going with a "Blackout" round, where the entire card must be filled to win.
4. If you'd like, offer small prizes for each BINGO and invite winners to share a short story about one of the squares they marked.

By the end of the game, you'll have a room full of smiles, new stories, and connections that feel effortless. It's a fun, easy way to bring everyone together and keep the joy going all season long.

MERRY CHRISTMAS

From Neighbors Who Care!
